

Ristorante Marco Marco

Puts our Heart and Soul in to supporting the following Charities;

We raise money for these charities by putting on fantastic live shows and arranging auctions with generous donations from our patrons of and the local community of holidays, signed pictures and shirts of famous people, and many other amazing auction prizes.

We also contribute by giving a % of the nights takings to the charity and we charge £5.00 per song request that also goes to charity.

A great time is had by all as well as giving a generous donation to worthwhile causes.
